

SELL Games are coming! Remember to register on time!

The traditional SELL Student Games will be one of the largest and most international student sporting events in Finland in 2012 and open to all university and polytechnic students in the world. The games are hosted in alternate years by the SELL countries (Finland, Estonia, Latvia, Lithuania). This year, the hosts are Aalto University Sports Club and Aalto University Student Union.

SELL Games have traditionally had plenty of participants from the Baltic countries. In addition, in 2012, the Games will see students from countries such as Sweden, Russia, Serbia, Germany, the Czech Republic and Italy competing in the various sports. SELL Games is held under the patronage of the European University Sports Association (EUSA).
